

APPENDIX G

BE SAFE WITH HOUSEHOLD HAZARDOUS WASTE

Household Hazardous Waste is a big concern for your local fire department. The members of the Hamilton Township Fire Company need your help in reducing the risks they and your local water quality face.

Properly storing and disposing of these materials helps keep your firefighters safe and prevents such dangerous materials from contaminating your surface and ground water.

Only **YOU** can keep hazardous waste from endangering you, your fire fighters and your water quality!

For more information: call 282-1900 or visit www.munciesanitary.org/abouthhw.htm

What Can YOU Do?

Bring your Household Hazardous Waste to East Central Recycling...

Monday-Friday 8:00 a.m. to 5:00 p.m.
Saturday 8:00 a.m. to 12:00 p.m.

Working Together for Clean Water!

With the **White River Watershed Project**
Project of: Delaware County Soil and Water Conservation District

The **White River Watershed Project** is a community-driven, voluntary project to clean-up and prevent non-point source water pollution for a

This Project is **lead by citizens** like you who live, work and play in Delaware County. The one thing they have in common is that they **care about our water.**

We are in the process of developing a plan to address water quality concerns for Killbuck and Mud Creeks in your area, and **we want your input.**

**For More Information go to www.co.delaware.in.us/watershed/
or call Tia Agnew at 747-5531, ext. 3
or email her at watercons@comcast.net**
