

# *WORKING TOGETHER FOR ENVIRONMENTAL JUSTICE IN THE MIDWEST*

## THE EPA, EJ, AND PROGRESS FOR HOOSIERS

Friday, March 25th

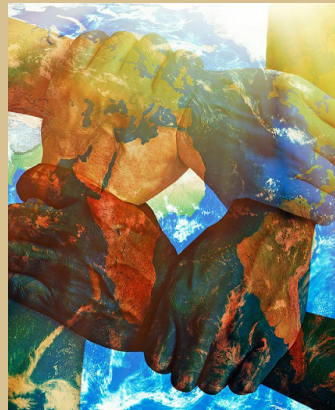

10 am -- Noon EST / 9 am -- 11 am CST

Virtual Event / Open to all

### Part 1: EPA, EJ and Region V

Alan Walts, Director, Tribal and Multi-media Programs Office at US EPA Region V, will provide a broad overview of current and upcoming work of EPA and how it works with communities in the spaces of environmental health and social justice.

### Part 2: Current Projects in IN

Hear about current projects that improve the personal and environmental health of Hoosiers. Panel includes:

Dr. Julie Peller (Valparaiso U)

Rev. Curtis Whittaker (FAITH Farms, Gary IN)

Denise Abdul-rahman (NAACP, IN)

Dr. Jason Kelly (IUPUI)

### Part 3: Panel Discussion

Led by Dr. Ellen Wells(Purdue), all of the speakers will discuss ways forward and will respond to questions from audience members.
