

HELP SUPPORT

INDIANA'S WATER FUTURE

The River Assessment Field Team (RAFT) program is an advanced, citizen-science program designed to strategically assess local water quality. This volunteer monitoring program collects high-quality data to help fill agency data gaps, tease out pollution hot spots, and measure trends over time. Help support this important program today.

Watershed

Event Supporter

\$3500 sponsors the materials, personnel, and lab fees for one event that will sample 20 sites and engage 20 volunteers on average.

River

Team Supporter

\$2000 sponsors the equipment and materials needed to establish a new team, which will engage up to 4 volunteers and 4 additional sites per-event.

Stream

Site Supporter

\$500 sponsors the lab fees, quality checks, and data management costs for one sampling site which will be sampled 4 times annually.

All White River Alliance Investors are recognized for their support year-round through our many communication platforms. For more information, please contact Kelly Brown, kelly@thewhiteriveralliance.org.
