

INDIANA WATER SUMMIT

MARLON WEBB,
SENIOR DIRECTOR REGIONAL ECONOMIC DEVELOPMENT

We focus on a holistic strategy to promote economic development resources and increase prosperity in a changing regional economy.

Indy Partnership

SITE SELECTION EFFORTS

- ▶ Central Indiana's strategic geographic position
- ▶ Transportation infrastructure
- ▶ Supply chains to reach customers efficiently
- ▶ Infrastructure investments like **White River Alliance's** efforts in improving and protecting the White River

QUALITY OF LIFE

- ✦ Important to attracting and retaining talent and capital
- ✦ Water is a quality-of-life asset
- ✦ Being able to employ our natural quality-of-life assets and grow and sustain our prosperity requires us to:
 1. Value and protect them
 2. Collaborate regionally

WHITE RIVER ALLIANCE

- ▶ This work is important in our efforts to attract companies and individuals to the nine-county, Indy region
- ▶ Connectivity
- ▶ Multi-purposed (recreation, utility, drinking, agriculture, etc)

UPPER WHITE RIVER
WATERSHED AND
THE NINE-COUNTY
REGION
