

Regional Water Planning Activity

Your chance to dive into the complexities we face!

A Worksheet Awaits You... (also snacks & networking!)

- 💧 Step 1 – Check Your Name Tag for a Number
Find Your Table & Team
- 💧 Step 2 – Review the Big Map!
Orient yourself to the region you've been assigned and its impairments and natural assets
- 💧 Step 3 – Review the Smaller Supplemental Maps
 - Significant Water Users
 - NPDES Dischargers
 - Environmental Sites
 - Land Use
 - Wetlands & Floodplains
- 💧 Step 4 – Complete the Worksheet Questions
- 💧 Post Maps and Worksheets to Your Wall!
